## SUBMITTING A BUSINESS LISTING

1. Click on the submit a listing tab
2. Fill in all applicable fields
3. Example short description – Insurance agency
4. Example long description – Business XYZ provides full service insurance projects including Autopac, home insurance, etc.
5. Upload a photo of your business or logo after submitting the first page of information (photo optional)
6. If a business genre is unavailable to choose from when you submit your listing, we will add and create one for your business after you hit submit
7. All listings need to be reviewed and approved by the Economic Development office before going live
